

Foremost® Foliage

EXCOECARIA 'Jungle Fire'

- Striking glossy leaf color with cream/green on top and deep purple underside.
- Strong spreading structure, tight growth habit, moderately aggressive grower.
- Ideal plant for use in large hanging baskets, as a garden annual, or in combination planters.
- Frosty leaves and red undersides; consider it for *Christmas Sales!*
- Hardy to zone 10 only; full sun or partial shade.

'Jungle Fire' available only through ForemostCo®
