ForemostCo® Inc. is now distributing peat substrates from Klasmann-Deilmann, a leader in the substrate industry.

ForemostCo's dedication to providing our customers the best and most reliable products in the horticulture industry has led us to partner up with Klasmann-Deilmann, an industry leader in peat production and sales. For almost a century Klasmann has been providing only top quality peat moss and peat moss substrates to customers around the world. Using the latest technology and highest standards, Klasmann-Deilmann not only provides highest quality substrates, but harvests its peat in a sustainable fashion. ForemostCo® is proud to partner with Klasmann as they bring their quality product to the United States.
