

# Foremost™ Bromeliads

## Cultural Information

ForemostCo® has full production of tissue culture liners of the Exotic Plant bromeliad program at its Phoenix Foliage facility in Winter Garden, Florida.

Exotic Plant is well known world-wide for being innovative, and their superior breeding of new varieties of bromeliads. Every year Exotic Plant is able to introduce stunning new varieties of high end Guzmania and Vriesea which give growers the opportunity to offer an exclusive mix of plants to their customers.

*\*Finish times may vary*
