

DIANELLA CAERULEA

This improved selection of blue flax lily isn't blue at all. Becca is a medium textured "strappy-leafed" plant with arching sprays of tough, green foliage that slowly spreads by rhizomes. Plants are accented in the spring by beautiful masses of soft blue flowers with yellow anthers. Patent Pending

- Tolerates frost, drought, and hot and/or humid conditions
- Performs well in full sun and partial shade
- Evergreen in normal winters to 24° F. Zones 8-11
Cold hardy to Zone 7
- Medium growth rate. 2-3' high and 2' wide
Space 2-3' for optimum growth
