

DIANELLA CAERULEA

This “no cane” form of *Dianella caerulea* has stunning blue foliage compressed in flat fans that give CassaBlue the shape of a dwarf Phormium, only far tougher. The display of cobalt blue flowers is far superior to other flax lilies. Patent Pending

- ▶ Drought tolerant once established; CassaBlue will need some initial watering
- ▶ Best suited for well-drained soils and full sun applications
- ▶ Tolerates frost as well as hot, dry environments
- ▶ Evergreen in normal winters to 24° F. Zones 8–11
Cold hardy to Zone 7
