

DIANELLA CAERULEA

This compact, clumping Dianella is similar in habit to a dwarf, non-invasive bamboo with glossy dark green foliage that slowly spreads by rhizomes. Little Becca has elevated bluish-purple flowers in spring, followed by attractive purple berries. Patent Pending

- ▶ Tolerates frost, drought, and hot and/or humid conditions
- ▶ Performs well in full sun and partial shade
- ▶ More resistant to rust when compared to Variegated Dianella
- ▶ Evergreen in normal winters to 24° F. Zones 8–11
Cold hardy to Zone 7
