

## DIANELLA TASMANICA

A compact Australian perennial with bright green and red strap-like leaves. In cooler weather, the red tones radiate from the crown into the leaf margins only to recede as spring brings the rich blue flowers with prominent brown-tipped golden anthers. The flowers are followed by slightly oblong deep blue berries in mid-summer. Patent Pending

- Drought tolerant once established; initial watering will be required
- More resistant to rust compared to Variegated Dianella
- Evergreen in normal winters to 20° F. Zones 8–11  
Cold hardy to Zone 7
- Medium growth rate. Tasred is roughly 1.5–2' high and 2' wide once mature
