

From Costa Rica
Pre-finished
DENDROBIUMS

We put in the time, now
YOU can reap the REWARDS!

Grown at our own farm, Ornamentales Sapo Verde, and delivered to you door in prime condition with active live roots!!

Our colorful and popular Dendrobium clones have been growing for over a year and are ready to bump up into 4 inch pots. Grow them out, flower the next growth and start selling! All within 6-9 months.

A truly tropical orchid that is EASY to finish and can grow along side your Phalaenopsis in your warm house. Ask for our assistance and we will guide you through the process.

Growing Tips...

- Light requirements to finish: 1200 – 1500 foot candles of light.
- Temperature range: prefer 70-90°F temperature range but will tolerate into the low sixties and up to over 95°F.
- Grow time: we send you a 3 growth plant over 12 months old and it will flower on its next growth – usually within 6-9 months.
