Territory Sales Manager

Job Summary

The Territory Sales Manager is responsible for overseeing the sale of products from beginning to end, and will be the direct point of contact with customers. The generation of leads and the development of a territory action plan along with marketing strategies and tactics will be the responsibility of the territory sales manager.

Essential Duties and Responsibilities

- Sells company products (plants) to customers in the nursery and landscaping industry.
- Compiles lists of prospective customers for use as sales leads, based on information from ad inquiries, trade shows, direct mail responses, industry directories, Internet Web sites, and other sources.
- Makes outbound lead follow-up calls to potential and existing customers by telephone and e-mail to qualify leads and sell products to designated customers.
- Maintains customer base and constantly seeks out new customers to replace those lost by normal attrition (i.e. going out of business, changing product lines, etc.)
- Provides product demos to qualified customers upon request.
- Emphasizes sellable features, quotes prices, credit terms, and prepares sales orders.
- Estimates date of delivery to customer, based on knowledge of own firm's production and delivery schedules.
- Follows-up on availability and allocation reports.
- Communicates orders to purchasing department for order placement.
- Builds and maintains customer relationships.
- Follow-up arrival conditions with customers and issue pending credits or final credits as necessary. These must include all necessary information (invoices, source, product problem, invoice date, boxes, if applicable, etc.)
- Prepares reports of business transactions; enters new customer data and other sales data for current customers into Salesforce CRM System.
- Visits customers regularly.
- Maintains awareness of current industry and operational benchmarks, trends and practices. Represents the company in local and national trade shows.
- Provides primary collections efforts; works with Accounts Receivable Team resolving collection problems as necessary.
- Can lift up to 50 lbs.; bend, squat, climb stairs, work in an outside environment
- Ability to travel 30% of the time.
- Other duties as assigned.
