

# Aglaonema 'Silver Moon' DP12,973

## Excellent and long lived foliage plant for interiors

- Tolerant of a wide range of light conditions, including low light
- Stands up to neglect
- Very striking contrasting foliage of grey/green with a very dark green margin
- Similar to Silver Bay, with slightly smaller leaves and a darker and more clearly defined margin
- Suited for 6", 8", 10" and 14" pots
