

SUNROSA® Roses BY SUNTORY

Sunrosa® Roses paint a storybook picture of color, beauty, and rugged vigor. They meet the requirements of being highly disease-resistant and low maintenance. These roses are compact, ideal for small gardens, patio pots & more! CP 50 Liners (2 cuttings per).

Sunrosa® Red: A true red compact shrub rose. It is ideal for small gardens, front borders, patio pots and much more. Sunrosa® Red has intense red, double blooms with a mild tea rose fragrance.

Sunrosa® Pink: Has a slight "spring clover" scent to the blooms and has enchantingly lacy foliage- delicately beautiful with pale pink semi-double flowers.

Sunrosa® Yellow: These sunny little blossoms begin as coral buds, then open as soft yellow semi-double blooms with a faint coral blush overlay.

Sunrosa® **Fragrant Pink**

Sunrosa® **Orange Delight**
